Booking International Flights Through Chase Travel

Yes, you can book international flights through Chase Travel. Here's how the process works:

Step 1: Log In to Your Chase Account

Visit chase.com/travel and log in using your Chase card credentials. Only cardholders have access to the full suite of booking tools.

Step 2: Enter Flight Details

Provide:

- Departure and arrival cities
- Travel dates
- Number of passengers
- Class of service (economy, business, or first class)

Chase Travel displays multiple international flight options from a variety of airlines, allowing you to compare schedules and prices.

Step 3: Compare Flights

Use filters to refine your search by:

- Airlines
- Price
- Number of stops
- Flight duration

This helps you select the most convenient and cost-effective international flight.

Step 4: Select and Book Your Flight

Once you've chosen a flight:

1. Review the fare rules, including cancellation, change fees, and baggage policies.
2. Enter traveler information and passport details if required.
3. Pay using your Chase card to earn Ultimate Rewards points.

After booking, you'll receive an email confirmation containing your itinerary and ticket details.

International Travel Considerations

When booking international flights, keep the following in mind:

1. Passport and Visa Requirements

Ensure your passport is valid for the destination and check visa requirements well before booking. Some countries require passports to be valid for six months beyond the date of entry.

2. Baggage Fees

International airlines often have different baggage allowances. Review policies for carry-on and checked luggage to avoid surprises at the airport.

3. Time Zones and Flight Duration

International flights can be long and involve layovers. Chase Travel allows you to see total travel time and layovers to plan your trip effectively.

4. Currency and Payment

Flights booked through Chase Travel are typically charged in your home currency. Some airlines may also offer local currency options. Using a Chase card may help reduce foreign transaction fees.
